Synopsis:	<p>Incoming call from MYERS. JORDAN says he is on the highway going to grab that shit back (surveillance followed JORDAN to Greensboro). MYERS said he had a strange number call from a 571 area code. JORDAN told him he should probably get rid of that number. JORDAN said he may also get rid of his number because a girl had it and detectives called him about his car. JORDAN and MYERS discuss the 571 number that called MYERS. JORDAN tells MYERS that everything is lined up for the morning and they need to sit down and strategize. JORDAN says there are two "drains" (?) dropping tomorrow and they might happen at the same time and he wants to be there for both. JORDAN says one drop will be in Fincastle. MYERS makes a comment about an individual across the border. JORDAN mentions going to the Dominican Republic once he had 100 on stand-by. JORDAN mentions someone needs to come check things out before anything is picked up or passed out. MYERS talks about going to the automotive store to pick up glue. MYERS mentions using the glue to seal a compartment so it cannot be accessed by opening the trunk. JORDAN agrees.</p>

JORDAN: Yo'.

HASH: Man, I need a lawyer.

JORDAN: I can't hear you.

HASH: I said, I'm a, I'm a need me a lawyer, homeboy.

JORDAN: Why what's up?

HASH: Man, the mother fucking law... police officer pulled me over right after I had text you, right?

JORDAN: You got that?

HASH: Talkin' about... Yeah and shit, they got it. Mother fucker talkin' about, uh, he had pulled me over for the tint in my car, I ain't, I ain't, I ain't even got no tint on my, uh, Magnum. I say, you racially profiling me. So, I told him he couldn't search my car he said, "well, I, I smell weed," I said, you don't smell shit in this car.

JORDAN: Fuck that.

HASH: Huh?

JORDAN: Where was that?

HASH: On, on Peter street road. He said, he said... after he said he pulled me over for tint, right? I said, no...

JORDAN: Yeah.

HASH: You're lying, 'cause I ain't got no tint on this car. Then, after, uh, he called me back up to his car, right?

JORDAN: Yeah.

HASH: He said, uh, I smell, I smell weed in your car, and I said, you don't smell no weed, I said, you, I said you, you lying, I said we walk your dog around my car and if I see your dog hit, hit at the car then, then you can search my car. I said, there ain't notin' in my car for your dog to, to hit or notin'. He said, "I don't need to... I don't need to walk my dog around your car, 'cause I smell weed myself." I said, you don't smell no weed, you lyin'. I said, you just racially profilin' me. So, he was like, "I won't... no... nah... I don't need..." I said... he said, "I don't need your permission if I smell weed, I can search your car." So, I'm a, I'm a, I'm a get a lawyer, man. 'Cause I mean, that, that, that's illegal search and seizure, man, for real.

JORDAN: Yeah it is.

HASH: And...

JORDAN: [U/I].

HASH: And, and, and look, and, he, uh, he brought me in his car, right? I sat on the inside of his car.

JORDAN: Yeah.

HASH: So it was, it was recording. I said, you don't smell no weed in my car. And, and you know, there ain't no tint in my windows so you pulling me over is bullshit why you pulling me over. So they need to... they need to pull that recording up so that, so that dude that [STUTTERS] he, he, he's [U/I] he's illegally searching, 'cause I told him to walk the dog around the car... he wouldn't, he said, "I don't need to." I said, 'cause you're lying, you don't smell no weed.

JORDAN: So, [U/I] you told him no and he still went ahead?

HASH: Yeah, I told him, no. I, I told him he couldn't search my car. He said, oh, uh...

JORDAN: Man.

HASH: He said, "I can search your car, 'cause I smell weed." I said no, you can't, you can't search my car, 'cause you don't smell no weed. So, Teresa had to bond me out for, uh, two hundred and fifty [250] dollars.

JORDAN: That's wild as hell.

HASH: Yeah. As soon, as soon as I left...

JORDAN: Did you get his name? The officer...?

[DIALING SOUNDS]

HASH: Huh? It was a state trooper, it was a state trooper.

JORDAN: A state trooper?

HASH: Yeah. Pulled me over on Peter street and then he gonna say, he said, "well, the reason I followed you, 'cause you changed lanes on Winston road

and didn't signal." I said, you lyin' I didn't even change lanes on Winston road, I stayed in the same lane.

JORDAN: That's crazy as hell, bro.

HASH: Yeah. That's... I mean, he, he, he, he, he racially profiling me, he made a reason to search my car and that's when they found the joints.

JORDAN: [U/I].

HASH: Huh?

JORDAN: He, he pulled by you on Peter street?

HASH: Hold on, I can't hear I'm gonna walk in the store.

JORDAN: Alright. He, he pulled, he pulled behind you on Peter street?

HASH: Yeah. He, he, he, he got behind me on way, way down Peter street near the Honda dealership, but he said I changed lanes way up on Winston road. I'm way down...

JORDAN: Huh.

HASH: I'm way down near the Honda dealership on, on, on Peter street when he finally pulled me over.

JORDAN: Yeah.

HASH: That's then he popped up behind me.

JORDAN: That's wild as hell.

HASH: Yeah.

JORDAN: Where, they put up or... wha-wha-what they do?

HASH: They were, they were, they were in the back, you know, covered up, covered or whatever and, well he found the joints and they was, uh... I gotta go to court for arraignment tomorrow.

JORDAN: What did they charge you with possession?

HASH: Yeah, they charged me with possession.

JORDAN: As long as [U/I] [MUMBLES] you gotta fight that joint [U/I] they where they was at.

HASH: Huh?

JORDAN: As long as they notin', but... they stay right there in state.

HASH: Oh, yeah, yeah.

JORDAN: But you still gotta get a lawyer though.

HASH: Yeah. But he, uh... I mean, the magistrate said, you know, he said, it, it ain't notin'... it wan't notin' serious if I would've had... if I wouldn't have been a convicted felon it wouldn't have been nothing serious though. So, [U/I] is sayin' he was sayin' [U/I] in my car.

JORDAN: Yeah he could say... [U/I] could say that.

HASH: Yeah.

JORDAN: Yeah. You gotta definitely get a [U/I] I guess.

HASH: Yeah. But I... I mean, I...

JORDAN: I mean, that [U/I] that mother fucker [U/I] I got your back on it. On that right there. That's crazy though.

HASH: Yeah. That's crazy as hell.

JORDAN: Uh-huh.

HASH: I was like, man...

JORDAN: You actually, you actually need a... for real, [U/I] [MUMBLES] get a lawyer or retain a lawyer [U/I] [STUTTERS] actually the recording right there and make sure they preserve that.

HASH: So, tell them to give me a lawyer?

JORDAN: [U/I].

HASH: Huh?

JORDAN: [Aside: [U/I] please. [U/I].] Yo'.

HASH: So, you saying I need to tell 'em to give me a lawyer?

JORDAN: Yeah. Get you a... no [U/I] to go retain a lawyer [U/I] about a hundred [100] and something dollars. Retain a lawyer and have him... when you go to court and, and, when, he, uh, mention for the record.... tell your lawyer that you would like to preserve, that you would like to preserve the, uh, uh, uh, police calls, uh, audio and video, uh, visual, uh, tape.

HASH: A'ight. So after I talk...

JORDAN: So make sure that you, make sure that you preserve that...

HASH: Alright, I'm gonna try to, I'm gonna try to get with so... to get with somebody tomorrow, 'cause I got to, I go to court at one, thirty [1:30].

JORDAN: [U/I].

HASH: I have to get on [U/I].

JORDAN: [U/I] [STUTTERS] want me to text that to you again so you won't forget?

HASH: Yeah, text that to me.

JORDAN: [U/I] 'cause I'm going up in the mountains and I might lose the signal. So, I'm gonna text that to you right now.

HASH: Yeah text it to me.

JORDAN: Yo.

JORDAN: Yeah.
HASH: He sound pretty good. He told me... he said uh...
[VOICES OVERLAP]
JORDAN: He good.
HASH: He said, "You don't need me right now". He said, "You just go in there and tell ... tell the judge you want to hire your own lawyer and you might need around three (3) weeks".
JORDAN: Yeah but [U/I] [AUDIO DISTORTED]
HASH: Huh?
JORDAN: [U/I] [AUDIO DISTORTED]
HASH: Your phone breaking up bad.
JORDAN: Hold on. You should have called him and tell him, "Hey look man, [AUDIO DISTORTED][U/I] .. put this as part of the record. Because this ... it shows that you're letting them know that you want them to make sure that they preserve it. Make sure they keep that video tape and audio tape also 'cause it's critical to your defense.
HASH: Oh yeah ... well I can say that myself 'cause he want me to come see him at two o'clock (2:00) when I ... when I leave out of there.
JORDAN: Yeah that's cool, yeah. Okay you can say that yourself but make sure you tell them, "Look, I know it's early and I know it's not the appropriate time but I would like to ... I guess ask the ques- uh... could I actually order the state to preserve their video and audio tape of the traffic stop because it's going to be critical to your defense.
HASH: All right.
JORDAN: What he can do ... I mean usually what... they can't ... I mean being that he, he's just a regular judge, he's not even assigned to the case. It's not even, it's not even certified because it was a felon. They gotta go up and down, 'cause it's an upstairs. All they're going to do is, "well you know it's kind of early but what I can do is ask that the state ... make sure that the State Police preserve that so that it can be part of it. 'Cause if anything end of happening to the State, I mean to that video tape later on it, it will be a real big issue.
HASH: All right.
JORDAN: You can say, you can say, "Hey I told these people the [U/I] ... Hey make sure this video tape is preserved so if something happens to it, then they make it look like they did it on purpose.
HASH: Yeah. All right. Yeah 'cause when I was talking to him on the phone, he like, "Come here. Come here". The other guy ...
[VOICES OVERLAP]
JORDAN: He ...
HASH: ... the other guy he, he trying to get somebody [U/I] ... he want fifteen hundred (1500) right now. I was like nah I aint got no [U/I] right now.
[VOICES OVERLAP]
JORDAN: He just wants some money. But Kowalczuk is good, now.
HASH: He's probably, he's probably, he's probably gonna be more than three thousand (3,000), though.
JORDAN: Yeah we get that my man. We get that right there. That aint no problem. It's going to be more than three thousand (3,000). That will be definitely more than three thousand (3,000).
HASH: Yeah.
JORDAN: The only thing about it is just... just ... I mean, he's.. he's one of those dudes that, I aint gonna say work with the people but he's gotta uh... he's got a good [U/I] [AUDIO DISTORTED] with the police down there. You know. He [U/I] and call the police and ask "Hey man, what's going on with the guy right here, man. Why you uh ... I mean, can we get him a good deal? Can we give him a break? Something like that. He has a good dialogue with the police and all those shit down there.
HASH: Oh all right.
JORDAN: Yeah. I mean as long as they just stay and focus on your charge and everything it's all good, though. He's a good mother fucker though, I heard.
HASH: All right.
JORDAN: You're supposed to see him at two (2:00) right?
HASH: Huh? Yeah, two o'clock (2:00).
JORDAN: You're supposed to see him at two (2:00)?
HASH: Yeah.

JORDAN: And you're doing it at one thirty (1:30), right?
HASH: Yeap.
JORDAN: All right. That's cool.
[VOICES OVERLAP]
HASH: Yeah 'cause he said all I'm gonna say is I'm getting my own lawyer.
JORDAN: Right.
HASH: I need about three (3) weeks.
JORDAN: Yeah. They gonna definitely do that right there. [U/I] State police [AUDIO DISTORTED][U/I] they aint have no direct... direct ties to the uh ... any local police. So I mean, from what you saying that [U/I]. Hey yo, when he came to your truck ... [SIGHS] I'm hoping that mother fucking camera, that camera heard everything. That's what I'm hoping.
HASH: But I said everything in the car. I said, "man..." I said, "you [U/I]." He took me to the car and that's when he said he smelled, when we was in the car he said, "I'm gonna be honest with you I smelled the aroma of marihuana." I said, "You aint smell..." I said man, "you lying twice. You come to my car saying you pulled me over for dark tint and there aint even no tint on my car and now you trying to say you're smelling marihuana." He said, "You aint gonna call me no liar". Hell I said, "well, you don't know..." I said, "You don't know what you smell 'cause there aint no marihuana in this call at all."

RAYA: Hey.
JORDAN: Hey.
RAYA: Thanks again.
JORDAN: You're welcome.
RAYA: She enjoyed it [U/I]. Look, she was saying this, she says, "I don't know," she was like, "he's smart, his mind is always working, his brain is always working, it's, his mind is working, he always... make money."
JORDAN: I can't hear you, Amany.
RAYA: I said, she said, "he, he's smart, his mind is always working, he's always thinking of how to make money." Like...
JORDAN: [CHUCKLES].
RAYA: You know, like it, it's [U/I].
JORDAN: Yeah.
RAYA: [U/I]. She said, "Amany, what if he's going over there for drugs?"
JORDAN: [LAUGHS].
RAYA: She said... [LAUGHS]. She said, "what am I gonna do?" she said, "I... you know that is my worse nightmare, for something to happen and he's... he bring you down with him." I said, Momma if he was doing drugs or anything like that why would he even be thinking about all these other business ventures and all that? She said, "but, but what if that's just a cover up? And, and, and..."
JORDAN: She ain't no... she ain't no dummy.
RAYA: Yeah. She said, "that's what people do in Egypt." She said, "you know, I always thought, the way he did with you, was, he kept you drugged up so you can stay with him and love him and, and, and be with him all that, but..." she, she did say this one thing though, she said she's not gonna look for me another husband anymore or anything like that. She said, "I see you really love him and he really loves you," and she said, "I'm not gonna look for him anymore." And... look, before you even came up there, before you even came in or anything like that, she was asking me before we even went to the, the doctor's, she was asking me, when me and you were gonna have babies. She said, "how come...?" actually, she said, "how come me and you haven't had babies yet?" She was, "do you have a problem or something that you can't have babies?" She said, "is that what it is, why ya'll ain't havin' no babies yet?" I was like, Mom, just please... I'm telling you, she don't stop. Like you say...
JORDAN: I see...
RAYA: Surprised... you're surprised it even took her that long, she was gonna ask you, "are you gonna, gonna convert in Egypt or are you gonna do it here?" [LAUGHS].
JORDAN: [CHUCKLES]. She gave me a out.
RAYA: [CHUCKLES]. Huh?
JORDAN: She gave me a out... Egypt.
RAYA: I know, right? I guess the plan is, just don't ever go. [CHUCKLES]. But she told you, she said, "wait 'til you go to Egypt when she goes."
JORDAN: Yeah, that's what she [U/I].
RAYA: So you can go with her. Yeah, she's [U/I].
JORDAN: So she can tell Sam and...
RAYA: She likes you though.
JORDAN: So she can tell Sam and them, "oh, he's going with me to convert."
RAYA: Exactly. She's crazy though.
JORDAN: If I get some... how can you not like me?
RAYA: Yeah.
JORDAN: Hey, never mind, I'll talk to you in person. What you gonna do?
RAYA: Uhm, well, I was gonna ca... ask you what you was gettin' ready to do.
JORDAN: No, I'm ready to go home and kick back.
RAYA: Yeah me too.
JORDAN: I'm [U/I].
RAYA: Yeah. And then, look, she... when we got to the house she said, "now I see why Adam like him," and she... "why Adam love him," actually, that's what she said, the word. And then I was like, who, loves who? She said, "Monta," she said, "Adam told me he love him," 'cause she was like, "Adam do you love him?" She already told me she asked Adam that. And he was like, "yeah, I do." And then she was asking why, and I told her, I said, because he give Adam whatever he wants, that's why. I said, he play with Adam...
JORDAN: No, no I don't give him whatever... I don't give him what he wants though.
RAYA: I mean, I said, I said, because you play with him... uh, she already knows that. I told her, I said, you play with him and you nice to him and then you also give him whatever he wants too. She was like, "yeah," she said, "Adam say he love him." Adam was playing that damn grand theft auto and told her that the dude in there that the, the, the, main character or whatever...
JORDAN: Yeah.
RAYA: That, he looks like you.
JORDAN: [SIGHS].
RAYA: "He looks like Monta. He looks like Monta." That's why when you got out she said, "damn, he do look like him."
JORDAN: [SIGHS].
RAYA: 'Cause you know, Adam be changing his style up, like he'll put on the nice little polo shirt and dude, or... you know like he'll put on a hat...
JORDAN: Amany let me... Amany let... Amany let me mee-meet you at home, 'cause I'm riding, I'm riding way on over [U/I]...

: Yeah I done knock out too for real. Hey br , this is ... this is ... I mean I've been sitting back thinking ... they had to, they had to be on that car right here. MYERS: That's what I'm thinking. JORDAN: It had to be. MYERS: That's what I'm thinking man. Unless, hey just ... nah the only way they wouldn't [U/I] and hey, this and that... dah, dah, dah, dah, dah. Them motherfuckers were moving to catch up my nigga. I already ... and I told you I did not pass them motha fuckers. And I alreasee them motha fucker [U/I] run yo r motha fucking joint for real man. He wanted tonow who the fuck I was, like he wanted to know my shit . JORDAN: Right MYERS: They trying to see who the fuck I was. I'm like ah ma that's what was fucking pissing me the fuck off. JORDAN: Oh my. And this, this is what is throwing me off a little bit. I mean, they could have waited until we got all the way in. They could have waited ... I mean if they did have, you know [U/I] situation on them. They could have waited for them to get all the way in or a little bit closer. Why in Rockbridge County though? MYERS: Hmm mmm. JORDAN: Why? Why Rockbridge County? MYERS: Hmm mmm I didn't know that was that motha fucking bitch said didn't know all of that shit, man. I didn't know that it as that far out. Uh, the car is in her name. She didn't have knowledge of it. I mean, so in a legal... a legal, a legal situation she is ... if she just stand her ground, she's in a pretty good position legally. If she didn't know that was there. Now it goes to ... I mean that [U/I] right there goes to, how would they have put two and two together? That's what I don't understand. Now, on my ... the paperwork that I got on my joint [U/I] they can not be used outside the state of Virginia, like as far as GPS monitoring... only in the State of Virginia, jurisdiction of Virginia [U/I] of Virginia. I would have thought that maybe ... ah, maybe further on up they would have grabbed a nigga. But maybe not, maybe they wanted it to be a Western District of Virginia thing. MYERS: Well uh ... [MUMBLES][YAWN][U/I] I don't know what type of person she is, she get the motha fucking yapping right now or right there and then? Like I don't know [U/I], you know what I mean? I don't know. JORDAN: If she got to yapping right then, then they would have not even let us go. But they hadn't, they let us go... had to be around the same time they was grabbing Shorty. Because she... I mean Rockbridge County is like Lexington area. So maybe once they pulled us... it had to be some more from somebody else, they pulled her. MYERS: I tell you man them people, them people [U/I] right there. JORDAN: I know it had to, it had to be [U/I]. I mean, if I thought even if they thought that, they didn't even grab no phones or nothing. They didn't even mention, they didn't even mention the other person. Didn't mention them at all.
